Dear Parents,

This is a new initiative undertaken by the IAK Team to establish more links in communicating with our parents.

Mr. Derek Hicks is for personal reasons no longer working with us. IAK wish to thank Mr. Hicks for his contribution to the development of IAK. While the school recruits a new principal, Mr. Andy Hill and the other members of the Senior Management Team; Mr. Mark and Ms. Patty will oversee the running of the school.

As parents know, and have been informed in previous communications from us, the IAK school uniform is mandatory and should only be purchased from the school shop. From Sunday, 8th February, students who arrive at school without the proper uniform will call their parents who should come to school with the correct uniform. If this is not possible, the students will return home to change. If neither request is met, the student concerned will spend the day in the Admin area and be refused entry to classes.

Also from Sunday, 8th February, IAK will become a chewing gum free zone, thus it will now be prohibited to come to school with chewing gum. From Sunday, if a student appears at school either eating or carrying chewing gum on their person, they will be given an automatic suspension for one day.

**Learning Improvement Plans for 2015-2016**

As part of our learning improvement strategies for the next academic year and to meet with the requirements of a New National Curriculum from the UK, IPC will no longer be taught at the Primary school. Student learning shall place emphasis on the core subjects; Maths, English and Science in Primary. We shall continue to teach History and Geography but as a separate subject each week. As in accordance with the UK, Years 1 and 2 shall finish with the rest of the school to be able for these students to complete the curriculum expectations from the UK.

Thanking you in advance for your continued support and cooperation

The IAK Team.
