Dear Parents

Time is slipping away from us rapidly. Already the Yr. 11 and 12s are in their final examinations. We wish them well and hope that they have prepared to the best of their abilities.

- **Assessment Timetable:**

May 25^{th} will see the remainder of the school move into their final phase of assessments for the year. Yr. 3 to Yr. 10 will enter their final assessments using the timetable provided. This period will run from May 25^{th} until June 5^{th}. During this time Yr. 3 to Yr. 10 will have 1 assessment per day. This means they will finish at 9.45am. Buses are booked for the primary (Yr.1 to Yr.6) and secondary students to transport children from 10.00am. The Foundation, KG and REC classes will finish at 11.30am.

Yr. 10 students may have a second assessment in the afternoon, see the timetable. Buses are not available for these children; please arrange to have them collected.

If your children DO NOT travel by bus please arrange for them to be collected at these times.

- **After Assessment Period:**

After June 5^{th} through to June 17^{th} a fully staffed educational programme for the further development of creative thinking and problem solving skills is planned, students will be actively engaged in learning at all levels.

Finishing times from June 5^{th} will be:
- Foundation (KG and REC) 11.00am
- Primary and Secondary 12.30pm

Buses have been organised for these times. If your children do not travel by bus please make arrangements to have them collected at these times.

- **Some points for the academic year 2014/15.**

Places are filling quickly with KG, REC and Yr.1 already full. If you intend to come back to IAK next year please register as soon as you can.
Shoes appeared to be an issue this year. Except for PE, the shoes should be black and leather. Trainers will only be accepted in PE next year, not for general school wear.

Reminders:

- Girls MUST wear hair tied up and neat.
- Only 1 pair of earrings, gold, silver or pearl studs only will be allowed. Deans have been told to confiscate any others.
- Please be aware, mobile phones, IPods and any other electronic devices will be confiscated in accordance with Ministry and School regulations.
- Boy’s haircuts must be smart.
- Trousers should not be altered to create the “skinny” look.

This may be the final newsletter for the year. We have made lots of improvements this year and more are planned for the next year, some of these include:

- Student Representative Council.
- Secondary House System.
- More activities for boys and especially girls.
- Improved Yr. 12 system.

I would like to take the opportunity to welcome Mr. Paul Ellmes as the Head of Student Affairs for 2014/15 school year along with a number of new staff at all levels. We have recruited staff from all around the world, including Greece, USA, South Africa and Ireland to add to the talent pool, especially in the Secondary area. I wish you a nice summer vacation.

Kind regards

David Conway
Principal
