28th April 2013

Dear Parents,

1. **Graduating class of 2013**

   Congratulations to the graduates of year 11. We hope you have a special day today and please accept our heartfelt congratulations from the staff, students and parents of IAK.

2. **Poetry Night**

   Congratulations to all those students who attended the poetry night and read out some of their poems. Well done to all involved it was a real pleasure to hear what you had to say.

3. **Fire Drill**

   We will be carrying out a fire drill on Thursday 2\textsuperscript{nd} May at 10:30 am. Please do not be alarmed when your children tell you that we had to evacuate the building, it is only a practice drill. We will try and do an unannounced drill after a few weeks.

4. **Examination Timetables and Calendar for next year**

   These have been posted on our website, please check the ‘downloads’ section of our website to see your child’s examination timetable and the calendar for 2013-2014:

   http://www.iak.edu.kw/downloads.php

5. **Registration for next academic year**

   Dear Parents, as you know the 30\textsuperscript{th} April deadline for re-registration for 2013-2014 is fast approaching. There are many new students who wish to come to IAK after they have been hearing about some of the progress we have been making. If you do wish to have a guaranteed place at IAK for next year you only have 2 more days to re-register at the school before we start accepting new students to the school. In the case that you do not re-register by then, we cannot guarantee a place for your child for the next academic year. I am sure you will understand our position on this matter.

   Yours Sincerely,

   IAK Principal
